

RESOLUTION NO. 2020-007

A RESOLUTION FOR THE PURPOSE OF ACKNOWLEDGING THE COUNTY'S PART IN THE FLOOD MITIGATION GRANT TO ELEVATE A HOUSE LOCATED AT 100 MOSSY SHOALS CIRCLE IN PANGBURN

WHEREAS, Cleburne County applied for a Flood Mitigation Grant to elevate a house located at 100 Mossy Shoals Circle in Pangburn, Arkansas. This house has had numerous flood claims on it and Cleburne County, on behalf of the homeowner, Ron Budynas, applied to FEMA for an FMA grant to elevate the house. This is a 75%/25% match. Cleburne County would be required for the 25% match however the homeowner has agreed to pay the 25%. Cleburne County has this documentation in writing, and it was submitted with the application. The money must funnel through Cleburne County, and this is a reimbursable grant.

NOW, THEREFORE, BE IT RESOLVED that Cleburne County understands there could be an instance where Cleburne County could be asked for an advance of funds but if something emergent comes up Cleburne County acknowledges that it might have to cover the cost until the money is deposited into the account from FEMA. Cleburne County also acknowledges and accepts the fact that FEMA has indicated that it could be possible, in certain situations, that the Cleburne County would not be reimbursed for any of this money Cleburne County has spent up front.

White River Planning and Development District will assist the county in the overall administration of the FMA project and handle the paperwork/finance side of the project as a part of the grant.

THEREFORE, the Cleburne County Quorum Court approves White River Planning and Development District to proceed with implementing and moving forward with the Flood Mitigation Grant.

PASSED AND ADOPTED this 9th day of July 2020.
