

The Little Rock Vet Center has a Mobile Vet Center (MVC) to provide outreach to the veterans in your county. The MVC resembles a super-sized recreational vehicle; it is 38 foot long and 13 foot 6 inches tall. The mission of the Readjustment Counseling Services is to provide information to Veterans in far-reaching rural areas on the services the Little Rock Vet Center has to offer. They are as followed: Individual Readjustment counseling, Group counseling, Military Sexual Trauma counseling, Bereavement counseling, Marital and Family counseling, Referrals, Substance Abuse Information and Referral, Community Education and Liaison with Community Agencies.

Outreach material includes (brochures, informational booklets and benefit books), phone numbers (Vet Center, VA, VBA and other resources) and contact numbers to County Veteran Service Officers (CVSO) in their county.

If you have any question about the Events posted or future Events; please contact Michael Shackelford (Veterans Outreach Specialist) or Thomas Norman (Readjustment Counseling Technician) at the Little Rock Vet Center (501) 324-6395.
