As provided in Amendment No. 74, the Statewide Uniform Rate replaces a portion of the existing rate of tax levied by this School District and available for maintenance and operation of schools in this District. The total proposed school tax levy of 36.0 mills includes 26.24 mills specifically voted for general maintenance and operation, and 9.76 mills voted for debt service previously voted as a continuing levy pledged for the retirement of existing bonded indebtedness. The surplus revenues produced each year by the debt service millage may be used by the District for other school purposes.

The total proposed school tax levy of 36.0 mills represents the same rate presently being collected.
